### Product Description

Lightweight, flexible, and durable are the trademarks of Kochek's PVC suction hose. It is the only brand designed specifically for the fire market. Our patented, field repairable, poly-lock collar and hose are backed by an industry leading warranty. Choose the original, the best...choose Kochek PVC suction hose. NPSH female allows for swivel and is compatible with NPT male. Not intended for pressure.

### Suction Hose Features

- Lightweight design, while retaining a quality wall thickness.
- Flexibility from 150 degrees F to -40 Degree F
- A smooth bore for unrestricted flow
- A clear web to aid in visual flow monitoring
- UV protection designed into the hose
- Made in the USA

### Couplings

- 6" NPSH female swivel long handle (Folding Long Handles Available Upon Request)
- 6" NPT male outlet

### Length

- Selected length is overall length (OAL) measuring from the outside of the female coupling to the outside of the male coupling. (Custom lengths are available)

Model Number -2P601

### Applications

- Drafting from lakes, ponds, rivers, pools, wells, etc. during structural firefighting operations
