(732) 251-0900 Ext 4**

Ernest Zih, Fire Official

Date: October 11, 2017

Monthly Report:

Inspections: See attached:

Money: See attached

Investigations: Investigated incident with 3 Juveniles Fire Play and completed. Each Fire Watch assessment done individually.

Fire Investigation 1 Brandon

Again from last meeting as a lot of Fire Company were away at convention:

Arson case for former Edison Police Officer will NOT go to trial as he made a guilty plea .

The Fire Company should be commended for preserving the scene and not contaminating the evidence making a strong case for conviction.

Office: Our newest computer had video problems and Joe is replacing unit. Currently 4 people using one computer for server access.

On a Positive note and cost saving, all Fire Prevention videos are on the I Pad eliminating the need to replace the worn screen/ Bureau Laptop. I Pad used exclusively at Woodland School and tested and will be used for upcoming Fire Prevention at Mill Lake

Need update / follow up on phone line issues
