Greetings Carol,

As a follow-up to a recent phone message, I am writing to set up a meeting with you to discuss options regarding the Verizon phone plans for the accounts listed above for the Monroe Fire Company Fire District #1, 08831.

Our accounts reflect phone lines as indicated above, from the old fire house at:
24 Harrison Ave
Monroe Twp., NJ 08831

And

The new fire house located at:
467 Spotswood-Englishtown Road
Monroe Twp., NJ 08831

Currently, the above accounts will reflect some existing lines in the old fire house, transfer lines required for the new fire house, and lines in the new fire house. Specifically, we are asking to meet to examine options for removing some of the old fire house lines, removing possible duplication involving transferring lines, as well as examining options for phone lines in the new fire house.

Any help in reducing the overall cost of the Verizon phone service would be greatly appreciated.

Please send dates of availability or contact me directly as indicated below.

Thank you for your assistance.
