Monthly Report: June 10, 2020

Money: See attached

Inspections: See attached

Note: All Smoke Detector Inspections are being conducted by an Affidavit of Inspection with phone guidance from Bureau Inspectors. Some Detector Fees have been suspended during this time of National Emergency.

Note: Bureau is developing a fee schedule based upon online pay policy once attorney review is completed and PayPal can be implemented.

Investigations: Nothing pending

Fire Prevention: Working on ideas within a pandemic environment. Possible video or classroom zoom presentations.

Office & equipment:

iPhone 11 received. iPhone 8 still pending

Office and vestibule:

Carpenter toured area and plans are being developed to renovate area.

State of the Bureau: The Bureau is working on a compressive plan to safely resume inspections.

This will not be done in the immediate future. As the State opens back up, so does the risk of a second wave of the virus that the Bureau will monitor.

That said, we were fortune enough to have completed major inspections during the first part of the year, prior to the pandemic. A plan to complete remaining inspections will be completed only when we can safely do so.
