Monthly Report: April 13, 2022

Inspections: Attached

The Bureau is now revising the inspection schedule to adjust for Inspector Reardon's absence.

Money: Attached

Investigation:

03-14-2022: 14 Texas Rd

File note: After a recent previous fire call, Bureau staff installed new smoke detectors throughout the premises that alerted Ms. Butcher of the fire.

The reality is that this fire was recorded as an incident and not a fatality.

03-29-2022: 3 Tenth Ave. Structure Fire

Fire Prevention:

Poster contest: Posters received from both Mill Lake and Woodland schools were judged on March 17 at the County Meeting.

One poster from Mill Lake won at the County level and was sent to the State for judging.

Communications: The Fire Officials and Chiefs met with the Fire Subcode Official of the Construction office at District II on March 23, 2022 to discuss mutual planning endeavors for the Town.

Note: The Fire Prevention Trailer will not be at upcoming National Night Out due to Covid concerns.

The Bureau will be meeting with School Officials to determine if the schools can participate this September during Fire Prevention Week with regards to Covid concerns. Perhaps with a modified presentation, we can allow just one student at a time to practice just the ladder escape.
