Monthly Report: August 10, 2022

Inspections: Attached

Money: (Need update) Attached

As reported last month, the Bureau is working with a higher than normal number of businesses that are not paying their Annual Registration Fees and subsequent violations. The Bureau has sent a final letter giving such business until July 28, 2022 to comply and make arrangements. Results will be discussed at meeting.

Inspections:

The Bureau continues to revise the inspection schedule to adjust for Inspector Reardon's absence.

Investigation: RKD Mulch Fire and subsequent meeting with Monroe Construction Dept with recommendations.

Fire Prevention:

The Bureau is still waiting for a response from the Monroe Twp. School District regarding the letter about Fire Safety Trailer usage.

National Night Out: Huge turnout. Fire Department and Fire Prevention table for literature and personnel available to answer questions.

School Security:

A phone response from Monroe Police was received regarding school security pre-planning:

As such:

- **Topic will be brought up at next OEM meeting.**
- **Waiting for meeting to be scheduled**

As schools are required to do Lockdown Drills (in addition to Fire Drills), we will coordinate for both Police and Fire to observe drills and update response accordingly.

Personnel: Need to meet closed session with regards to Inspector Reardon's Position.

- **Additional item for agenda includes testing walkie frequencies at Mill Lake as we have had problems in the past at that location. Hopefully new walkie frequencies will eliminate issues.**
