Monthly Report: September 14, 2022

Inspections: Attached

Audit completed and adjusted for Inspector Reardon's absence. Note: the Bureau is behind but will complete annual inspections. Some re-inspections may go into the end of the year.

Money: Attached

Bureau is working with a few outstanding businesses that did not pay their Annual Registration Fees. Progress.

Investigation:

1 Briggs Avenue Air Conditioner Condenser fire

All reports completed.

Owner extremely pleased with Fire Department's Response.

Fire Prevention:

Bureau met with other Districts and developed a trailer schedule.

I am communicating with schools for actual Fire Prevention Dates. At this point, Mill Lake is scheduled for the last week in October. Dates will be posted as they become available.

School Security: Progress:

The Bureau has received lockdown drill dates from Mill Lake and is in the process of providing an agenda for the next OEM meeting that has yet to be scheduled.

As schools are required to do Lockdown Drills (in addition to Fire Drills), we will coordinate for both Police and Fire to observe drills and update response accordingly.
